**Services operated by Ulsterbus and Foyle
Metro (from Monday 1st September 2025)**

The maps are not to scale and are included only to indicate routes taken.

The attached map shows the full proposed city route network.

Pupils who use or intend to use city service buses to get to and from school should familiarise themselves with the routes and times which are currently online

School services may be operated by blue Ulsterbus or red Foyle Metro buses.

Most times will remain unchanged from 2025-2026 school year.

One significant change is that Woodbrook is no longer served by buses - the bus will now stop outside Woodbrook on Lower Galliagh Road. The departure time from Woodbrook remains unchanged at 07:52.

The departure time from Strabane Bus Station is now 5 minutes earlier, at 07:50. Pupils are advised not to use the 08:15 from Strabane as it will not connect with buses from Foyle Street to the school.
