1st Choice				
2nd Choice				
3rd Choice				
To assist with timetabling of A Level subjects, students should choose 3 A Level subjects on offer in Lumen Christi College. Students wishing to study a subject through the ALC should choose 3 subjects from the college options to ensure they can access at least 3 subjects of choice in September. **Dependent upon GCSE performance and potential career requirements a 4th subject to either AS or A2 may be recommended for students.** **If a student intends to study 4 subjects he/she should indicate a fourth subject in the box below and a reserve subject.** **If a student only intends to study 3 subjects, please indicate a reserve subject only.**				
4th Choice				
Reserve				

In making this application, I understand that:

- Admission to a place in any subject is at the discretion of the College and subject to viability in terms of class size as deemed appropriate by the Principal.
- Admission to Year 13 will only be granted if the school does not exceed its approved enrolment number for the year in which application is sought.
- In the opinion of the Board of Governors, admission would not prejudice the efficient use of the school's resources.
- Where a student's choice of subjects is deemed unsuitable, whether on the grounds of previous academic performance or careers guidance advice from the College, an interview will be required to review subject choices.

In making this application, I agree to the following requirements:

- Academic progress which entails planned independent study (use of study periods in school and a daily schedule for home study).
- Strict adherence to deadlines for Course Requirements, Projects and Assessments etc. and to school regulations, including attendance, punctuality and appearance.
- Serious commitment to the College Ethos
- Development of extracurricular interests – commitment to becoming involved in the general life of the College.

I have read the Admissions Criteria and wish to apply for entry into Year 13 in Lumen Christi College. I understand that entry to AS courses in Year 13 does not in itself guarantee entry to A2 courses in Year 14.
